

Introduction

Rinaldini Distribution, Inc.

During the creation of enomatic wine serving systems™, Roberto Rinaldini, founder of Rinaldini Distribution, Inc., relocated with his family from Chianti – Italy to the United States where he became the first official importer and distributor of Enomatic. Since February of 2003, Rinaldini Distribution, Inc., has been the dealing and serving enomatic wine serving systems™ in the 18 Western United States.

Enomatic International

enomatic wine serving systems™ was established in 2002 by premium winemakers and automation engineers in Chianti – Italy. The founders Ricardo Gosi and Lorenzo Bencista have now expanded their state-of-the-art wine preservation and serving system to over fifty countries around the world, revolutionizing the traditions of serving and enjoying premium wines.

enomatic™ was developed out of compassion and respect for fine wines and enological culture; and was designed to allow connoisseurs to experience the myriad of wines available today both local and global.

Utilizing the most advanced technology, enomatic wine serving systems™ will create new social wine hospitality environments.

Renowned for its signature SMART Card activated pouring, functionality and aesthetics, enomatic™ is a phenomenal wine marketing and educational tool that empowers individuals with the freedom of choice.

Prestige, technology and elegance are the underline values of enomatic and the “made in Italy” tradition.

Enjoy!
